

**PRESS RELEASE**

**Oil and Gas Conference  
and Exhibition**  
8th-11th September 2009 | Aberdeen

Lionweld Kennedy are pleased to be exhibiting at the Offshore Europe 2009 Oil & Gas Conference & Exhibition on the 8<sup>th</sup> – 11<sup>th</sup> September 2009 in Aberdeen. We are pleased to be sharing stand **1036 (Blue Zone)** with . Please visit us to get your copy of the brand new Lionweld Kennedy Brochure.

With manufacturing facilities based in the North of England, Lionweld Kennedy has the recognition and reputation as a world leader in the design, manufacture and fabrication of forge welded open grid steel flooring / gratings and associated tubular or solid forged handrailing and stair treads.

Lionweld Kennedy has been serving the offshore, construction and engineering industries for almost 100 years and have been at the forefront of the design and manufacture of innovative products such as Safelock, Safetread (diamond pattern) and Stanweld flooring, all of which compliment our standard range of flooring such as Safegrid and Safety Grating.

PLEASE VISIT US AT STAND **1036 (Blue Zone)** TO DISCUSS YOUR OPEN GRID STEEL FLOORING AND HANDRAILING REQUIREMENTS.
